

When Is The **NEXTBUS**?

SU Shuttle Bus Real-Time Passenger Information System

No more waiting in the cold or dark – SU partners with **NEXTBUS** to provide the exact locations and arrival time of the University shuttle buses.

- View arrival information at bus stops
- Receive alerts via your computer or handheld device that notify you before the shuttle arrives at your stop
- Access real-time maps that show actual vehicle locations

Shuttle users may access the system four ways:
